More information and registration on the [ACLE website](#)

Past events

On **January 15th, 2019**, Professor [Cass Sunstein](#) (Harvard Law School) gave the following [ACLE lecture](#):

Disclosure Obligations: Individual and Welfare Effects

Information is often beneficial to people, but sometimes it isn't, and sometimes it is actually harmful. This lecture discussed the complex effects of information on people's welfare, with reference to new evidence on that question.

This was a joint event of [Tinbergen Institute](#), [ACLE](#), and [A-lab](#).

ACLE visit Professor Tröger

Professor [Tobias Tröger](#) (Goethe University Frankfurt) visited the ACLE in March 2019. He gave a guest lecture on *Bank Resolution* in the course *Prudential Regulation of Banks and Shadow Banks* of the [Master in Law and Finance](#). Moreover, he discussed law & finance research with several ACLE Research Members and Research Associates.
